

Trumpists say

**I just couldn't believe that this guy
– all this stuff he said
the whole campaign –
he's not even president yet and he
worked on this deal with the company.
I'm just in shock.**

**A lot of the workers are in shock.
We can't believe something good
finally happend to us. It felt like
a victory for the little people.**

**A Carrier employee,
after Trump met company officials
before being inaugurated and announced
1,000 jobs would remain in Indiana**
