

Trumpists say

**I knew those were people
that love this country,
that truly respect law enforcement,
would never do anything to break a law,
so I wasn't concerned.**

**Had the tables been turned,
and president Trump won the election,
and those were tens of thousands of
Black Lives Matter and antifa protesters,
I might have been a little concerned.**

**Ron Johnson,
on the mob of white Trump supporters
that stormed the Capitol on January 6, 2021**
