

## **Trumpists say**

**I think electing Republicans  
is better than electing Democrats.  
So I drew this map to help foster what  
I think is better for the country.**

**David Lewis,  
Republican member of the North Carolina  
committee that gerrymandered the state's  
congressional districts to so obviously  
disadvantage minorities and Democrats  
that a federal judge declared it  
unconstitutional**
