

## **Trumpists say**

**I think they wanted to have  
a particular narrative that  
they hope is negative to me.**

**Kelli Ward.**

**wannabe Senator from Arizona,  
claiming that the announcement  
from John McCain's family that he was  
halting treatment for brain cancer  
was timed to hurt her campaign  
to replace Jeff Flake as Senator  
[McCain died the next day]**
