

## **Trumpists say**

**I've said we need to build more gallows. If we try some of these high-level criminals, convict them and use a newly built set of gallows, it'll make an example of these traitors who have betrayed our country.**

**Wendy Rogers,  
Republican state senator from Flagstaff, AZ,  
fantasizing about hanging political opponents  
in a speech zoomed to the white nationalist  
American First Political Action Conference  
in Florida on February 25, 2022**
