

Trumpists say

**I was surprised to hear
there was anything negative
in the Mueller report at all
about president Trump.**

I hadn't heard that before.

**I mainly listen to conservative news
and I hadn't heard anything
negative about that report and that
president Trump had been exonerated.**

**Attendee at May 28, 2019, town hall meeting
held by Representative Justin Amash,
the first Republican member of Congress
to declare Trump should be impeached
for obstructing justice**
