

Trumpists say

It actually puts an exclamation point on the fact that we have a two-tiered justice system.

**If you're a Republican,
you can't even lie to Congress
or lie to an FBI agent
or they're coming after you.**

They're gonna bury you.

**They're gonna put you in the D.C. jail
and terrorize and torture you
and not live up to the Constitution there.**

**Louie Gohmert, complaining about the FBI's
arrest of Peter Navarro for refusing to respond
to a subpoena to testify before the January 6
committee days after a grand jury acquitted
a Democrat accused of lying to the FBI**
