

# **Trumpists say**

**It's obvious to me,  
our founders hated democracy.**

**Loren Culp,  
who claimed massive voter fraud  
after losing the 2020 race for governor in  
Washington state by a mere 545,000 votes,  
and is now the Trump-endorsed candidate  
running against Dan Newhouse, one of the  
ten Republican Representatives who  
voted to impeach Trump in 2021**
