

Trumpists say

It's time to do it.

Let's go find [Eric] Swalwell.

It's time to do it.

Then we'll see how brave the rest of the are.

It's time to do it.

**It's either [Jerry] Nadler or Swalwell
has to die before the election.**

They need to get the message.

**Let's go find Swalwell and get this over with.
I'm just not putting up with this shit anymore.**

**Roger Stone to one of his bodyguards
after the House Judiciary Committee including
Nadler and Swalwell announced that it would
investigate Trump's commutation of his prison
sentence just days before he was to report
to prison in 2019 for lying to Congress,
witness tampering and obstruction**
