

Trumpists say

The Kurds helped destroy ISIS, true.

**It's also true that the Kurds
would have fought ISIS anyway,
since the psycho caliphate
was right next door.**

**Let's be honest – the Kurds
didn't show up for us at Normandy
or Inchon or Khe Sanh or Kandahar.**

**Kurt Schlichter, October 10, 2019,
whose words Trump used to justify
selling out the Kurds to the Turks**

**[US suffered 6 casualties fighting ISIS;
the Kurds suffered 11,000+ casualties]**
