

## **Trumpists say**

**My kids call me a dictator,  
I thought my parents were dictators ...  
He said he was only going to do it for a day.**

**Like if you had a home that was in  
disrepair and your parents came in  
and they were firm and they wanted  
to get it done, and when you got done  
you had this beautiful home,  
how could you be mad?**

**"A woman in her 50s from northwest Iowa  
who spoke on the condition that she be  
identified only as Sue,"  
quoted in Washington Post, December 13, 2023,  
responding to Trump's speech in Iowa in which  
he parroted Hitler's speeches and doubled down  
on wanting to be a dictator**
