

## **Trumpists say**

**Neanderthals are hunter-gatherers,  
they're protectors of their family,  
they are resilient,  
they're resourceful,  
they tend to their own.  
So I think Joe Biden needs to  
rethink what he is saying.**

**Marsha Blackburn,  
reponding to Biden's criticism of  
Republican-led states like Texas  
that prematurely lifted mask mandates  
as examples of "Neanderthal thinking"**
