

## **Trumpists say**

**No more  
banana republic stuff from Joe Biden.  
So long as  
he goes after his political opponents,  
I will hold nominations to  
the Department of "Justice"**

**J. D. Vance,  
3:02 PM – Nov 1, 2023**

**["hold" = prevent consideration of]  
[Courts in — so far — four jurisdictions  
are going after Trump, not Biden]**
