

Trumpists say

The only possible violation there would be, was it a campaign finance violation – which usually would result in a fine, by the way – not this big stormtroopers [the FBI] coming in and breaking down his apartment and breaking down his office.

**Rudy Giuliani,
on the FBI's warranted search of
Michael Cohen's house, office and
hotel room for documents related to
Cohen's \$130,000 hush money payment
to Stormy Daniels
[Cohen said they knocked on his door]**
