

Trumpists say

**Personally, no. I do not.
I believe life begins at conception.
Every life is valuable.
And those are my personal beliefs.**

**Philip Gunn,
Republican House Speaker in Mississippi,
responding to a reporter who asked him
on June 24, 2022, just hours after the
Supreme Court overturned Roe v. Wade,
whether he thought abortion should be legal
in "the case of a 12-year-old girl who
was molested by her father or uncle?"**
