

## **Trumpists say**

**Thank god for air conditioning.**

**Let's talk about refrigerators.**

**I personally like my refrigerator.**

**I know you all like yours.**

**What about washing machines and dryers?**

**Lord please God don't make me scrub**

**clothes in a bucket and have to hang**

**them out on a line when we switch over**

**to wind turbines and solar panels.**

**I'm gonna be really pissed off about that.**

**I mean, how absurd is this?**

**I like the lights on. I wanna stay up**

**later at night. I don't want to have to**

**go to bed when the sun sets.**

**It's so silly! I mean, all of this is insane.**
