

Trumpists say

Those who try to make that ridiculous assertion are clearly snowflakes grasping for anything because they are suffering from Trump Derangement Syndrome and their entire existence will be crushed when President Trump returns to the White House.

**Steven Cheung,
Trump 2024 campaign spokesman,
responding to people who point out that
Trump's calling his critics "vermin"
and claiming that immigrants are
"poisoning the blood of our country"
is the exact same rhetoric used by
fascist dictators Hitler and Mussolini**
