

Trumpists say

**Trump's the president.
He runs the country,
but he's also the king.
There's no other president
that will be the king.**

who agreed to be quoted in the
November 24, 2022, Financial Times,
but refused to reveal his name because
"Some readers won't like that.
Some readers don't like royalty.
The world is changing a lot."**
