

Trumpists say

**We are going to be the first president
that's going to be willing to lean
against the Mexican drug cartels. ...
If they're trying to bring fentanyl
into our communities
that's going to be the last thing they do
because at the border they're going to be
shot stone cold dead.**

**Ron DeSantis, July 30, 2023,
to cheering attendees at a barbecue
in Rye, New Hampshire**
