

## **Trumpists say**

**[W]e demand, we absolutely demand that the criminals, the criminals in this country, if you want them held accountable, the criminals are Barack Obama, Eric Holder, Susan Rice, this entire criminal cabal that came about as a result of the murder of John F. Kennedy, the people that perpetrated the murder of John F. Kennedy, rise up to that. Military, join us and put all of them up against a concrete wall, just like [Romanian dictator Nicolae] Ceaușescu, and do what we must do to save not just our country, the entire world.**

**Pete Santilli,  
on what to do if Trump is arrested or indicted by  
New York County District Attorney Alvin Bragg,  
who, like Obama, Holder, and Rice, is black**
