

Trumpists say

We don't need a federal ban [on abortion] when we have Comstock on the books.

...

I think the pro-life groups should keep their mouths shut as much as possible until the [2024] election.

Jonathan Mitchell

[Their objective is to estblish a nationwide ban on abortion by enforcing the Comstock Act of 1873, which makes it illegal to use the mail to distribute anything "obscene," including anything pertaining to abortion and contraceptiOn]
