

## **Trumpists say**

**We have to blur some faces of persons who participated in the events of that day because we don't want them to be retaliated against and to be charged by the DOJ.**

**Mike Johnson, December 5, 2023, who tried to overturn the 2020 election, here obstructing justice by trying to prevent online sleuths who've helped identify hundreds of Capitol rioters from seeing the faces of rioters in previously unreleased footage of the attack on the Capitol, while simultaneously making himself an accessory after the fact to multiple federal crimes, in announcing he's releasing doctored versions of all footage of the attack in an attempt to counter the narrative of the January 6 commission report**
