

## **Trumpists say**

**We have to ensure that every single penny of every dollar donated [to the Republican National Committee] goes to causes that people care about.**

**That's part of the reason that I think I'm such a great fit for this.**

**There's no one more loyal to Donald Trump and the Make America Great Again movement than this person you're looking at right here; than me.**

**Lara Trump,  
Etric's wife and Trump's daughter-in-law  
on her appointment as co-chair of the RNC  
[The "causes" are reelecting Donald Trump  
and paying his legal bills; nothing else.]**
