

Trumpists say

**Welcome to the end of democracy.
We are here to overthrow it completely.
We didn't get all the way there on January 6,
but we will endeavor to get rid of it
and replace it with this, right here.
All glory is not to government.
All glory to God.**

**Jack Posobiec,
the Pizzagate conspiracy theorist, addressing
the Conservative Political Action Conference,
(CPAC 2024), to applause and huzzahs**
