Trumpists say

Well, I see good things about Hitler.
Every human being has something of value
that they brought to the table,
especially Hitler.
...
But this guy that invented highways,
invented the very microphone that I use
as a musician, you can't say out loud that
this person ever did anything good
and I'm done with that.
I'm done with the classifications.
We've got to stop dissing the Nazis
all the time. They did good things too.

Kanye West, a.k.a. Ye, responding to Alex Jones,
who said "You're not Hitler. You're not a Nazi. You
don't deserve to be called that and demonized."
