**I'm about to fly to Paris

...

I am not OK with Syrian refugees.

I'm not OK with terrorists.

**I'm OK with putting them down,
blacking them out, just put a piece
of brass in their ocular cavity
and end their miserable life.**

I'm good with that.

currently seeking Trump's endorsement
in her run to become governor of Nevada,
explaining her opposition to settling
Syrian refugees in Nevada in 2015**
