

Trumpists say

**You are one stupid cunt!
That pimp you married not only broke
his oath, he sold his soul.**

**Yours and christian's too!
Adam's activities have not only hurt
this country but countless patriotic
and God Fearing families. Therefore,
although it might Take time, he will be
executed. But don't worry! You and
Christian will be joining Adam in hell too!**

**We find it blasphemous that you
name the son of the devil Christian!**

**Letter sent to the wife of Adam Kinzinger,
the only Republican other than Liz Cheney
serving on the select committee investigating
the January 6 attack on the Capitol**
