

## **Trumpists say**

**You surely know you can't fly high  
Without our love and that is why  
Whenever you waver,  
all we have to do is  
Screa-ea-ea-ea-eam,  
scream, scream, scream  
Screa-ea-ea-ea-eam,  
scream, scream, scream**

**"All I Have To Do Is Dream,"  
by Boudleaux Bryant,  
when sung by  
Ann Coulter, Rush Limbaugh  
or FoxNews hosts**
