

Trumpists

In 2009, it was a big deal when congressman Joe Wilson yelled out "You lie!" during Obama's state of the union address. But this year, Marjorie Taylor Greene and Lauren Boebert repeatedly, repeatedly interrupted Biden during his state of the union address. Look at them! [accompanying photo of them standing and yelling] Excuse me, Karen! The president is talking.

It's not a black kid you caught
trying to use the pool.

No, you can't have another skinny margarita,
and if you don't sit down, this flight
is never getting to Orlando.
