

# **Ukraine**

**As president,  
I will bring back peace through strength.**

**Peace through strength.**

**It would never have happened.**

**If I was president, there would not  
have been a war with Russia in Ukraine.**

**Zero chance. ...**

**Even now, despite tremendous loss of lives  
and destruction of much of that country,**

**I would have a peace deal negotiated  
within 24 hours.**

**Donald Trump, January 28, 2023,  
launching his 2024 presidential campaign**
