

Ukraine

Do you still believe that we are one people?

**Do you still think that you can frighten,
crush, and bend us into submission?**

You really understand nothing?

You don't realize who we are?

What we stand for?

What we are about?

Read my lips:

**Without gas or without you? Without you.
Without light or without you? Without you.
Without water or without you? Without you.
Without food or without you? Without you.**

**Volodymyr Zelensky,
address to the Russian people after Russia
began its campaign to freeze Ukrainians to death
by destroying their energy infrastructure**
