

# Ukraine

**The more Russians we kill now,  
the fewer Russians our children  
will have to kill.**

**Roman Ratushny,  
renowned 24-year-old Ukrainian  
environmental and civic activist  
who was killed June 9, 2022, fighting against  
Russian invaders in Izyum, not far from Kharkiv;  
in a tweet widely shared after his death**
