

Ukraine

**Obama looked at Ukraine
[after Russia seized Crimea in 2014]
and asked, "What's in it for us?"**

**Trump looked at Ukraine and asked
[in trying to shake down Zelensky],
"What's in it for me?"**

**For neither president was the question
of staving off another Russian invasion,
much less of encouraging Ukraine's
democratic development,
a particular priority.**

**Meanwhile,
Vladimir Putin looked at Ukraine
and concluded: "It's all for me."**
