

Villains say

**They
[Congressional Democrats]
were like, death.
And un-American. Un-American.
Somebody**

**[pointing to the audience]
said, "treasonous."**

**I mean, yeah, I guess, why not?
Can we call that treason? Why not?
I mean they certainly didn't seem
to love our country very much.**

**Donald Trump,
to a rally of his supporters, who, like him,
are too stupid to know why not clapping
during his State of the Union address
is neither un-American nor treasonous**
