

## **Wannabe autocrats say**

**Just say that the election was corrupt  
+ leave the rest to me  
and the R. congressmen**

**From notes taken by Richard P. Donoghue,  
Acting United States Deputy Attorney General,  
during a December 27, 2020, meeting in which  
Trump pressured Jeffrey A. Rosen,  
Acting United States Attorney General,  
to have the Department of Justice  
overturn the election on the basis  
of claims of widespread voter fraud,  
for which it could find no evidence**
