

Work requirements

On welfare, Angie was a low-income single mother, raising her children in a dangerous neighborhood in a household roiled by chaos.

She couldn't pay the bills.

She drank lots of beer.

And her kids needed a father.

Off welfare, Angie was a low-income single mother, raising her children in a dangerous neighborhood in a household roiled by chaos.

She couldn't pay the bills.

She drank lots of beer.

And her kids needed a father.
